Trustee Suzda has been working on a contract with the South Wood County Humane Society for 2014. They are offering a choice of two options. The first would ask the Village to pay \$1,000.00 up front for the year and there would be no additional charges to pick up strays or to accept them if brought in. The second option would have them charge \$80.00 to pick up a stray and charge \$52.00 for those brought in. Ziebell moved to go with option two and Dorshorst seconded. Motion carried.

There have been no responses to the posting for a Village employee thus far. The position will be put in the next sewer bill insert.

Christy Stienle. Chairperson of Country Christmas, asked the Board if they would consider donating about \$360.00 to purchase artificial trees to be put in the Village's planters. There was some discussion about this and Charlie Pulchinski stated that he had real trees on some property he owns and would be willing to donate them (seven trees) if they thought they would work. He was thanked by Christy and the Board.

No rep from MSA was at the meeting but President Bade gave an update on the sewer project. Work will be done on replacing the air release near One Stop this coming Thursday or Friday. The lift stations still are waiting for the power company to provide permanent power hook-up.
