

Proceedings of Regular Board Meeting

September 13, 2016

The meeting was called to order by Village President, Mark Bade at 6:00 pm. Present were Trustees, Suzda and Ziebell. Absent were Trustees, Dorshorst and Hartjes. The Pledge of Allegiance was recited to open the meeting.

Trustee Ziebell moved that the September's meeting minutes be approved as typed and distributed. Suzda seconded. Motion carried.

The subject of junk and unregistered vehicles cluttering the Village was again discussed. A letter from the Village Attorney regarding on how to enforce our ordinance on this matter was discussed and we will have him do some revisions to it that he suggested to clean it up.

The Country Christmas committee would like to use the Village Hall again for their event. Trustee Suzda moved that Christy Steinle chairperson of the Country Christmas event. Ziebell seconded. Motion carried.

When the sewer project was discussed the subject of clear water infiltration was brought up. It is thought that we are getting a lot of storm water into the sanitary sewer and this is driving up our treatment cost up considerably due to the fact that we pay by the gallon we deliver to the Wisconsin Rapids treatment plant..One suggestion was to do an inspection of all sump pumps in the Village to find if any are connected to the sanitary sewer system and have them changed to pump to storm sewers or ditches. Another possibility would be a surcharge to people sending storm water to the sanitary sewer.. This item will be on next month's agenda for further discussion.

The Trickle Memorial Committee has paid the second half of the required maintenance fund and it is fully funded. They have also paid the attorney bill due the Village.

The listed bills were read and approved for payment.

On motion and vote the meeting was adjourned.

Respectfully submitted

Ronald Peters

Village Clerk
