

Country Christmas

August 11, 2014

Dear Country Christmas Supporter,

We are currently planning the 13th Annual Rudolph Country Christmas for Saturday, December 13, 2014. (Our 13th year on 12-13-14!) It takes hours of planning and effort to make this event a success.

Our hope each year is to promote “community” and provide a fundraising platform for our local groups and organizations. Part of our proceeds from this year’s event will be a donation to the Dick Trickle Memorial.

New this year will be “Prancer’s Party Place.” We are looking for party planning vendors with food and drink samples to promote your business. Comet’s Celebration will feature our firework display and other fun surprises. Rudolph’s Reindeer Games will feature a kids costume parade – come dressed as your favorite Christmas character with a small parade and judging at 4pm. Watch for more information! Blitzen’s Beauties will be hosting the basket raffle and hope to receive enough donated and “themed” baskets for our raffle.

Please take some time to complete the form and see where you can spread your time, talent or treasures. Thank you in advance for being a part of the 13th Annual Rudolph Country Christmas event!

Sincerely,
Rudolph’s Country Christmas Committee
